

Points System

Because we do not require dues from our members, UNT SWE implemented a point system in 2015 to have tangible documentation of member activity. This helped officers identify who was active in various aspects of our chapter and allowed us to recognize those who are passionate about our chapter. We will be utilizing the point system this year using the following system:

- 1 Point will be awarded...
 - If UNT SWE merchandise is worn to class and a photo is submitted to untswe@gmail.com or posted on social media (be sure to tag UNT SWE in the photo if it is posted on social media).
 - If UNT SWE merchandise is worn to a meeting.
 - If UNT SWE merchandise is worn to a volunteer event.
 - For every hour spent volunteering at fundraising events, such as concession stands or fundraising nights.
 - For each photo taken at a UNT SWE event that is emailed to untswe@gmail.com or posted on social media (be sure to tag UNT SWE in the photo if it is posted on social media).
 - For posting a constructive comment on a UNT SWE blog post on our website.
 - If a member brings a friend to a meeting: one point per friend.
 - For filling out the post-meeting survey.
